Dated Bangalore 27th April 1937.

Dear Sir,

I beg to enclose herein for the information of Government a copy of the D.C. Letter No. 2^23/36 dated the 23rd April 1937, received from the Deputy Commissioner of Kadur District, forwarding the report of the Officer-in-charge of Sringeri Jagir stating that His Holiness Sri Swamigalu has got an attack of his old malady. During my tour in the Kadur District, I visited Sringeri and found that the malady was just similar to that which His Holiness had early last year. The same arrangements as were made on the last occasion have been ordered now. The Senior Surgeon may kindly be instructed to send Dr.B.S.Padmanabhan Sub Assistant Surgeon who was posted for special duty on the previous occasion. Dr. Padmanabhan may be required to remain at Sringeri until His Holiness gets better. I have requested the Deputy Commissioner to submit weekly reports of the progress of His Holiness.

Yours sincerely,

I enclose herein for favour of your information D.O. lette No. - dated the 23rd April 1937 from Mr. Y. Srikantaiya, Officer-in-charge of Sringeri Jahagir, intimating the indisposition of His Holiness Sri Swamigalu. It is very unfortunate that there should have been a recurrence of the previous ailment. Mr. Srikantaiya states that all arrangements will be made as during the previous indisposition and suggests that Mr. B. S. Padmanabhan, Sub Assistant Surgeon, who had been posted for special duty on the previous occasion be posted now also. I agree with him and I request that the Senior Surgeon may kindly be addressed to post this gentleman who is now at Sollebyle in this District for duty forthwith. If it is considered necessary, the Senior Surgeon may perhaps be consulted with regard to any further medical aid that may have to be rendered to His Holiness during his present illness.

Dear Mr. Venkatesa Iyengar,

I am in receipt of your D.O. letter No. 1515/Muz. 238-36-7 dated the 17th instant. With reference to the enquiry contained therein, I beg to state that no senior Medical Officer has been asked to see His Holiness and advise the Sub Assistant Surgeon on special duty regarding the course of treatment to be followed. On the occasion of the last attack Dr. Muttanna visited Sringeri but he was not able to see His Holiness. His Holiness gets seriously upset if people try to see or interview him. The course of diet and treatment followed on the occasion of the previous attack are being followed now also. It is practically impossible to persuade His Holiness to take any medicine. Rest and diet are the only points for attention as on the previous occasion. I shall be glad if you will kindly obtain the instructions of Government, if any further action has to be taken.
